HICKORY SPRING.

SITUATED in Chatham county, eighteen miles south-west of Pittsboro, so well known for its medicinal virtues, is now for complete repair, and the subscriber is ready for the reception of visitors; his houses are convenient and roomy; and families can be accommodated with separate rooms. The Spring is situated in an elevated and healthy section of the country, which abounds with a variety of fruits. The subscriber will use every exertion in his power to make the situation of those who may visit him, comfortable. Terms for board 18 dollars per month, 80 cents per day; children and servants half price. The subscriber deems it unnecessary to say more, but will annex the following Certificate. Professor Olmstead, in his certificate, says:

"The Spring contains 1st a small portion of Iron, 2nd sulphate of Lime, 3rd sulphate of Magnesia, in a large proportion. It does not contain any sulphur or muriatic Salts, nor alkaline carbonates. The Spring when concentrated by dry weather may possibly exhibit appearances of sulphurated hydrogen, but does not when flushed."

Many certificates might be inserted showing the efficacy of the water, but as it is so well known by the experience of many, that the subscriber deems it unnecessary to publish them.

WM. BOWEN, 134-3t.

P. S. Persons visiting the Spring from the direction of Fayetteville, will do well to come by way of Roberts's Bridge, Deep River, as it is much the best road.

The Fayetteville Observer, Wilmington Advertiser, and Newbern Spectator, will insert the above 3 times, and forward their accounts with a paper containing the advertisement, to the Post-Master at Emerson's Tan Yard, where they will be punctually attended to.
